## Selection procedure

The selection procedure includes the following steps:

- A Selection Committee, designated by the Appointing Authority, is established for the selection procedure;
- Each application is checked to verify whether the candidate meets the eligibility criteria;
- All eligible applications are evaluated by the Selection Committee based on a combination of certain selection criteria defined in the Vacancy Notice;
- The quality of the information provided by the candidate in their application is of utmost importance. Candidates are requested to support their application with adequate, concise examples of their work experience (including traineeships, voluntary work etc), and qualification, especially if not directly addressed in the duties listed in the application under professional experience. Certain selection criteria may be assessed jointly and some criteria may be assessed in two or more stages of the selection procedure;
- Once the list of the most qualified candidates is determined, a preliminary assessment may take place (e.g., a pre-recorded video interview and/or a remote written test)<sup>5</sup> prior to the shortlist phase;
- In the shortlist phase<sup>6</sup> consisting of a shortlist interview which may be complemented by a written test, the Selection Committee scores the candidates in accordance with the selection criteria. Candidates may also be required to prepare a presentation on a topic to be presented during the shortlist phase, which would be evaluated as part of the shortlist interview;
- In order to be included in the reserve list, candidates must receive at least 60% of the maximum scores in the shortlist phase;
- Interviews and written tests are predominantly conducted in English<sup>7</sup>;
- After the shortlist phase, the Selection Committee establishes a non-ranked list of the most qualified candidates to be included in a reserve list and proposes it to the Appointing Authority;
- The Appointing Authority may choose from the reserve list a candidate for the post;
- Candidates included in the reserve list may be engaged for the same or similar post depending on eu-LISA's needs and budgetary situation;
- All shortlisted candidates will be informed whether or not they have been included in the reserve list. Candidates should note that inclusion in a reserve list does not guarantee engagement.

---

<sup>5</sup> The Selection Committee has the discretion to choose between remote and on-site interviews/tests as deemed appropriate. For remote interviews, the Selection Committee reserves the right to conduct the interview using an online video interviewing tool for synchronous and/or asynchronous (e.g., recorded) interviews.

<sup>6</sup> The provisions of the preceding footnote apply.

<sup>7</sup> As English is eu-LISA's working language, the selection procedure will be predominantly conducted in English, except when English is the mother tongue of a candidate or when the mother tongue of the candidate is not an official language of the European Union. In these cases, some of the interview and/or written test questions may be asked in the language indicated as their 2nd EU language.

Please note that the Selection Committee's work and deliberations are strictly confidential. Any contact with its members is strictly prohibited.

***English is eu-LISA's working language. Any communication related to the selection procedure will be conducted in English.***

## **Engagement and conditions of employment**

The selected candidate will be engaged by the Authority Authorised to Conclude Contracts of employment from the established reserve list. Once the candidate receives an engagement offer, they may be required to accept the offer within a short timeframe and be available to start the contract at short notice.

The successful candidate will be engaged as Temporary Staff, pursuant to Article 2(f) of the Conditions of Employment of Other Servants of the European Communities (CEOS). The Temporary Staff post will be placed in Function Group AD, Grade 5, in the first or second step, depending on the length of professional experience.

The remuneration of a staff member consists of a basic salary (currently EUR 6 152.64 for step 1, and EUR 6 411.17 for step 2<sup>8</sup>) weighed by the correction coefficient<sup>9</sup> (113.6% for Strasbourg, France and 95% for Tallinn, Estonia) and paid in EUR<sup>10</sup>.

The initial duration of the contract is five (5) years, including a probationary period of nine (9) months, with the possibility of contract renewal for another period not exceeding five (5) years. Following a successful renewal, the second renewal will be indefinite.

The reserve list shall be used for the recruitment and selection for the post in question and/or similar posts depending on the needs of the Agency. The candidates included in this reserve list may be offered an engagement under the conditions stipulated in Article 3a of the CEOS for Contract Staff, and/or may be offered an employment contract of a shorter duration and/or in a different location (Strasbourg, Tallinn or Brussels) than the one stated in the vacancy notice in accordance with the business needs and subject to agreement with the candidate. In this case, the Agency will contact the candidate in the reserve list and ask their interest.

All selected candidates may be required to have, or be in a position to obtain, a valid Personnel Security Clearance Certificate, SECRET UE/EU SECRET, depending on the specific job profile and the need-to-know requirements.

A Personnel Security Clearance Certificate (PSCC) is defined as a certificate issued by a competent authority establishing that an individual is security cleared and holds a valid national or EU PSCC, which shows the level of EU Classified Information (EUCI) to which that individual may be granted access, the date of validity of the relevant PSC and the date of expiry of the certificate itself.

---

<sup>8</sup> Working conditions of temporary staff in [CEOS](#)

<sup>9</sup> The correction coefficient is subject to a regular update.

<sup>10</sup> For the purposes of determining professional experience, the Appointing Authority shall allow 24 months' additional seniority of step in grade for professional experience equal to or more than the 3 years of professional experience after the degree giving access to the grade.

Candidates who hold a valid security clearance and for whom it is required must provide a copy of their security clearance and specify the issuing authority, level and date of expiry. In case the validity of their security clearance expires within six months, the renewal procedure will be initiated expeditiously.

Kindly note that the necessary procedure for obtaining a PSCC can be initiated by request of the employer only, and not by the individual candidate.

Failure to obtain the required security clearance certificate from the candidate's National Security Authority, either during or after the expiration of the probationary period, will give eu-LISA the right to terminate any applicable employment contract where the security clearance is a requirement.

## Independence and declaration of interest

The selected candidate for the post will be required to sign a declaration of commitment to act in eu-LISA's best interest and in relation to interests that might be considered prejudicial to their independence.

## Protection of personal data

eu-LISA ensures that candidates' personal data is processed in accordance with Regulation (EU) No 2018/1725 of the European Parliament and of the Council of 23 October 2018 on the protection of natural persons with regard to the processing of personal data by the Union institutions, bodies, offices and agencies and on the free movement of such data<sup>11</sup>.

The legal basis for the selection procedure of Temporary Staff (TA 2(f)) and of Contract Staff (CA 3a(b)) are defined in the Conditions of Employment of Other Servants of the European Communities<sup>12</sup>.

The purpose of processing personal data is to enable selection procedures.

The selection procedure is conducted under the responsibility of eu-LISA's Human Resources Unit ('HRU'). The controller, in practice, for personal data protection purposes is the Head of the Human Resources Unit.

The information provided by the candidates will be accessible for a limited number of authorised HRU personnel, to the Selection Committee, and, if necessary, to the Executive Director, Security and/or the Legal personnel of eu-LISA.
